## A CHURCH FAMILY MEETING

What will the new vicar need to know about us?

Sunday 11 June, 3-4 pm at the Christian Centre

As the search for our new vicar starts we are beginning to draw up a document which will answer three questions: -

- Where have we been together?
- Who/where are we now?
- Where are we going?

Come along and have your say - what you think is important.

Hello Everyone!

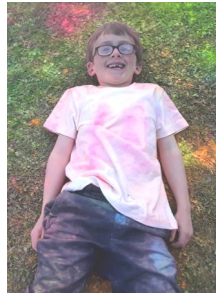

As many of you know my Nanny, Jill Freeman, is currently in hospital having suffered with a severe bleed to the brain and is very poorly.

Because of this, I have decided to take part in the KM 5K Colour Run on 11 June with my Daddy to help raise money and awareness of the charity Headway East Kent who care for people suffering from brain injuries and give support to their families.

If you would like to sponsor me for this event, please visit my fundraising page:

I really appreciate all your support and thank you for any donations. Please could I ask you to share this with anyone who you feel would also like to donate.

Lots of love from Ewan xxx

## THE OLD CHURCH - What's happening?

### The legal stuff

The City Council has granted "civil" planning permission for the construction of the new outbuilding in the churchyard. "Church" planning permission (the faculty) for the work on the Old Church building itself has been applied for and is awaited.

### The money

God is good! Through the generosity of the church family the Gift Day raised over £60,000 in cash and pledges which means that there is now £170,000 available to start the work. Another £80,000 is still needed. Applications are being made to various charitable bodies for grants - and any further gifts from the church family will gratefully be received.

### The timetable

The Church Council has decided that we should go ahead with the work to renew and restore the Old Church building and to construct the shell of the outbuilding. It is hoped that the work can begin in July and be finished before the winter. The remainder of the project, including the fitting out of the outbuilding and the renovations of the churchyard paths, will have to wait until further funds are available. But the heart of the project, the renewal and restoration of the Old Church can go ahead.
