Prayer during the Vacancy

God our Father,
You call us to be the body of Christ here.
Send your Holy Spirit at this time of change;
Fill us with vision, energy
And faithfulness in prayer.
May this vacancy be a time of
Deeper love and fellowship,
As you guide us with your heavenly wisdom.
Help us to choose the one
Who will share with us in your perfect plans.
In the name of Jesus Christ our Lord.
Amen

I'm looking to 'borrow' a variety of animals between 12 and 12.30 on Monday 13 August for an activity I'm organising.

If you have a regular pet or a very unusual pet which you would be prepared to bring to Seasalter Christian Centre for the above time and

look after I'd love to hear from you!

They need to like children, and not in the sense of eating them!!

FLOWERS WITH HAZEL

Individual workshops to teach basic flower arranging techniques.

Saturdays: 14 and 21 July
Time: 9.30 am to 11.30 am approx.
Where: St. Alphege Christian Centre

I would anticipate that for each workshop you just bring yourself and either a pair of secateurs or sharp scissors. You might need to bring a container but I will let you know size etc and I will provide everything that you will need to complete an arrangement. Understandably costs will vary for each workshop depending on what we cover. The cost is £10.00 per person plus flowers which I will endeavour to keep to a minimum. In order to gauge interest, please contact me with any questions or to reserve a place for one or both of the workshops.

Turn On, Tune In

The Freeview television service in our region is changing around 19 July which may require televisions and YouView boxes to be re-tuned/re-scanned. There are many parishioners who are unable to do this for themselves so I wondered if we could set up a team of reliable volunteers to do it for them. If you feel you can help them but need more information on how to re-tune Freeview devices I would be willing to give instructions. If you can help then please give your name and address to Becky in the office then if she gets calls for help we can match people up in their locations.
