Personal information - the GDPR (General Data Protection Regulation)

The GDPR sets out how organisations must act when dealing with the personal data of individuals. Personal data includes such information as name, address, telephone number, financial information, health records etc etc.

The church holds information/data about all its members, and we are committed to handling it legally, responsibly and carefully. For most members the church holds name, address, telephone number and email address and does not hold more sensitive information about bank accounts or health. Members will appreciate that these days information is held not only in paper files, but also on computers and phones. Most information is held under the legal basis of *legitimate interest*, i.e. the church has a legitimate interest in holding the data, and virtually all the data has been freely provided by the members themselves.

If you have any questions about your data, what is held and how it is held please look at the Privacy Notice on the church website or talk to Russell Wyles on 07526 978 080.

Old Church Pews

We have had more expressions of interest than there are available pews!

In order to be as fair as possible and to be good stewards in terms of our ongoing fundraising for furnishing the Old Church, there will be a bidding process for allocating the pews.

Interested parties are invited to submit sealed bids with a minimum donation of £200 by Friday 21st June 2019.

The top nine bids will be successful. Should there be more bids of the same value than pews available, the successful recipients will be determined by the drawing of lots.

Lynda Kemp as Chair of the Old Church Group will open the bids/draw the lots on behalf of the DCC with the Churchwardens present to observe.

We will communicate the results by 6pm Sunday 23rd June by email or phone if the person isn't on email.

prayer

Renewing God,

Your Spirit enables us to be signposts
of your presence in the world.

Help us share the stories
of Jesus Christ's life-changing grace
with one another and those we serve.

Amen.

Message from Rosalind about Niamh

Surgery has removed ALL the leg tumour and the chemo is working well. They are hoping for equal success with her lungs. Niamh is now in a wheelchair and is very positive; she and her family are truly grateful for our prayers and are amazed that we are praying for them from so far away without truly knowing them (they are in Scotland). Rosalind also thanks us for praying for them and asks us to continue as it is clearly working.

Thank You

Thanks for people's prayers and cards following the death of my mum, Doris Hyam, which have been a source of comfort. *Lesley*
