Jane Myhill - new things

We congratulate Jane Myhill on her new roles as Children and Families Minister at St John's Church, Swalecliffe, and StArs+ Café project co-ordinator at St Andrew's Church, Whitstable.

It's fabulous news for the communities served by St John's and St Andrew's, but rather bittersweet for us at Seasalter - and a big thing for Jane too - Jane has been part of this church for all of her life, and is a good friend to many. Her ministry as Children and Families Minister here has touched a great many lives here and she will be greatly missed.

However, we know we can't be greedy, and that her gifts and skills must be shared as widely as possible so that others can learn of God's great love for them. So Jane, go with our prayers, and our very great love and blessing. Jane's final Sunday with us will be 27 October.

Let's hold Jane and family in our prayers as she begins new things, and especially in the light of the loss of her dear mum Kath. We pray for St John's and St Andrew's and also for our own church as we seek God for what should happen next in the life of the Children and Families Ministry here at Seasalter.

Paulette

Kath

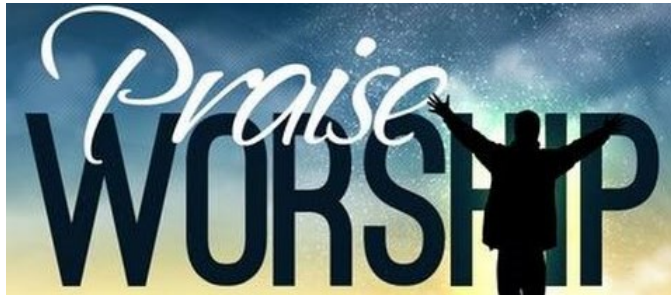

Kath Carnell, long standing, faithful and much loved member of the church family at St Alphege Seasalter died peacefully on Thursday 5 September at Bradbury Grange Care Home. May she rest in peace and rise in glory. Please pray for comfort and peace for the family and for all who loved and will miss her.

Praise and Worship evening - Closer to God 18 September 2019, 7.30 pm

All welcome as we come together simply to praise and worship God, invite the Holy Spirit to move among us and to pray as we feel moved to.

We've had a praise party, we've spent an evening in more reflective worship, this time there will be a mixture of both. There's room for all of us - whether we are flying along in faith or coming apart at the seams - come along and lift our worship together in the love and grace of God, who knows and loves all, as we seek his transforming work in our lives.

Doreen

Doreen Flanagan has been a member of our 11 am service for several years. She moved into Bradbury Grange when she was no longer physically able to look after herself, but none of her family live locally, so being part of our church has been very important to her.

However now at the age of 96, she no longer feels able to attend church, but very much still wants to be part of St. Alphege Seasalter. She has a very lively mind and faith and I'm sure would love to have some visits from us. If you are able to drop in some time to see her, please contact Emm Adamson and she will be able to give you details of suitable days and times.

Dennis Spinner - Update

Thank you everyone for your prayers and support. Dennis is back home now from his London hospital stay and he is doing really well. All went according to plan except inserting the grommets as the surgeons found they could not even insert a micro grommet as Dennis' ear canals are so small (the size of a 1mm needle). We are disappointed as we were hoping grommets would improve his hearing.

The doctors will review grommets when Dennis is bigger in size. In the meanwhile Dennis has turned another corner this week as he started at a mainstream non-medical pre-school nursery. Also this week his Cardiac team stopped two of the medicines that Dennis has been on for nearly 3 years as they felt that his pulmonary hypertension is improving. Dennis has also started to practise standing and saying "Dada" ("Mama" got a look in over a year ago!). Please continue to pray for his good health and strength, especially as Autumn and Winter approaches when Dennis is more vulnerable to bugs and colds. This will be the first Winter when he does not 'hibernate' away from people which is a really big leap of faith for him and us. Love Helen and Stuart Spinner xx

Update on Niamh - as at 23.08.19

If anybody who prays for her asks how she is doing please ask them to pray that she powers up and smashes the next four weeks of chemo and then surgery 14 - 21 days later with NO delays or further health issues. Thereafter for a speedy, progressive and glowing recovery with no issues and a brilliantly mobile, bendy fully functional leg.
