## Welcome to St Alphege, Seasalter

**3 October 2021**

**Harvest Celebration**

Readings: Luke 19:1-9

We are delighted that Dan Mawardi will be doing their Discipleship Year placement with us at St Alphege Seasalter, mainly working with the Young People, but possibly in other areas of church life as well.

The Discipleship Year (New Wine) is an opportunity to grow in faith and discipleship and in the ministry of discipling others, with weekly teaching taking place at the DY Hub at St Mary Bredin in Canterbury, and a ministry placement.

Please keep Dan in your prayers as this year unfolds!

### **Seasalter Youth Environment and Upcycling Project**

As you may be aware we have been awarded a grant from Grow Wild and so we are shortly going to be planting up some areas of the garden around SCC. We would like to re-use old bricks to edge these areas as part of the upcycling challenge. **Do you have any old bricks we could use?** It doesn't matter what colour but whole bricks only please. If so please could you let me know and if you're unable to drop them to SCC we will arrange to collect them.

Thank you  
Georgina

At the thanksgiving service for Geoff Simmonds last month, there was an opportunity for people to make a donation to Mission Aviation Fellowship in his memory. A very generous amount of £400 was given.

In their letter of thanks, MAF said that these gifts would help them provide day to day essentials for isolated people - food, water, healthcare, the Gospel - but also support their part in the COVAX vaccinations programme as MAF were part of the 'last mile' delivery of vital vaccines to remote areas.

A Whitstable group called Save our Seas are working towards the effort to stop the water authorities pumping raw sewage into the seas off Whitstable, from the Swalecliffe sewage works.

At 1pm on Saturday 9th October the group will be walking from the Lifeguard Hut on the prom at Tankerton to the treatment works. (a walk of 15/20 minutes). They are hoping as many supporters as possible will join them to raise awareness of this problem. All they ask is that you wear something red. All the information is on their Facebook page.

IT'S BACK!!!
