Praying for Janet Brittain who was airlifted to Kings College Hospital following a serious accident, giving thanks for the swift help she received, her recovery so far, and praying for healing for body and mind. Praying also for her friends who were with her at the time.

CARDS FOR JANET

Several people have asked how to get cards to Janet - her family have asked if they can be put through Janet's letterbox as they are popping in regularly to her home and will collect and deliver them to her.

HANDDRYERS versus paper towels

There are new efficient hand dryers in ALL the toilets so ditch the paper towels!! Hand dryers are far better for the environment than paper towels. This is because paper towels invariably end up discarded in landfill sites as they can't be recycled. When you factor in full-life carbon costs, electric hand dryers are a lot better for the environment and have much less of a lasting impact (not to mention saving money.....

Depression/Anxiety/Worry

During Tariq's recent sermon on worry he offered to run a session for anyone who may be carrying burdens such as depression/anxiety/worry, or if you are close to someone who is in this position. In his sermon Tariq made it clear that mental ill-health is not a failure of our faith, just as physical ill-health is not either. The session will run on 16 May at 19.30 at Seasalter Christian centre.

This will be an opportunity to gather and maybe share some of the experiences and pressures people feel. Lee Russell has kindly agreed to share his account of recently coming through, over a year of severe depression and anxiety. **Whilst there will be an opportunity for others to share, if they wish, there will be no obligation at all to do so.**

If you wish to attend please contact Tariq by email at tariqrita@aol.com or calling him on 07940837852. **Attendance is only by pre-booking.** If you would find attending too daunting then Tariq would be happy to talk with you on an individual basis, but arranged in consultation with Paulette our Vicar to ensure proper safeguards are in place.

Tariq is a qualified mental health nurse (retired) and has worked in hospitals and the community and maintains a pastoral/Christian interest in this area of life.

Please Note

We livestream our 8.45 service and occasionally other services, uploading these to our church YouTube channel. The camera is focussed on the stage area (please be aware of this if you go up onto the stage during the service), and we don't film during the distribution of Holy Communion. Some backs of heads will appear in camera view. Please speak to a Church Warden when you arrive if you wish to avoid being in camera view.

Yay! and Pray

This week we are . . .

Celebrating:

- we give thanks for the way God sustains his people through sorrows as well as joys, and the many stories shared in our church community of God's faithfulness.

Praying for:

- those laying down roles and for those taking on new responsibilities as we hold our Annual Meeting and elections for church posts.
